

Book 49Associating with the
Zahraad

Bismillahir Rahmaanir Raheem

1. Something I

never anticipated I thought
of much is that there
is a way that your
soul begins to mimic
the Zahraad and the
poor and needy at
least in terms of fawakher
in Allah, the more
one associates with
them, and loves them
for the sake of Allah

wa Allahu A'lam

Alhamdulillah wa

salaatun wassalaam

alaa Rasuulillah
